

Family Tree

The family tree is a visual history of your Native heritage. Start by filling in the shareholder's name, tribe (*meaning nation, i.e. Tlingit, Haida, Cherokee, etc.*), and blood degree. Next, add the name, tribe, and blood degree of the shareholder's parents and grandparents (*both paternal and maternal*). If you do not know the name or blood quantum of your family members, please fill this out to the best of your ability.
